Subject: Bus Route
Mr. Varone,

Per our conversation, you asked that I send an e-mail voicing my opinion about rerouting the buses that travel Hermon Street. I live on Hermon Street and have a bus stop right outside my home which is very convenient, although I do believe that the street is too narrow for buses. I am aware of many accidents and lots of damage to parked cars. The curve near the Playhouse is especially dangerous when the children are getting out of school. A lot of the children run across the street without even looking. Many parents park on Hermon Street when picking up their children. This adds to the congestion and lowers the odds of buses traveling the street without incident.

I am in favor of a new bus route.

Thank you.
