MAXIMIZE YOUR COLLEGE FINANCIAL AID

One Night Seminar

Monday Evening
November 1, 2010

Winthrop Middle School
- Rear Entrance -
151 Pauline Street • Winthrop
7:00 p.m. - 9:00 p.m.
Cost: \$10.00

This one night workshop is a must for all parents of college bound high school students, including freshmen and sophomores. We will demystify the college financial aid process and teach you how to access the more than \$60 billion in financial aid dollars, monies that are available even to families of "high" income or business owners. Learn strategies that will help you protect your assets by maximizing your eligibility for aid, effectively lowering your college costs. Learn the optimum time to set the strategies in place (HINT: best before Junior Year). Learn how to protect the equity in your home and enhance your retirement savings as you educate your child.

Please bring a calculator and a basic knowledge of your income, taxes and assets. A free analysis will be provided for those attending the class.
