

**Town of Winthrop**  
**Residential Parking Sticker Program**  
**Temporary Permit**

To qualify for a resident parking sticker, must be a resident of Winthrop. Payment and all fees, fines, parking tickets, and taxes, including excise tax, owed to the Town must be paid to date. You will not be allowed to get any such residential parking sticker or visitor permit if the debt is not paid in full. Vehicles with commercial, livery and taxi plates do not qualify for the residential sticker program.

A temporary permit is only valid while you are in the process of obtaining a permanent residential sticker for the current fiscal year. **The temporary permit will only be issued once during a fiscal year on a particular registration.** There are no extensions to a the permit expiration date. The permit is usually valid for 30-days but the specific expiration date will written on your permit and that's the date that should be followed. A temporary permit is issued per registration and can not be swapped to another vehicle. The Town of Winthrop has the right to revoke any permit if they suspect misuse. There is no cost for this temporary permit.

A temporary permit is issued for unforeseen situations. Temporary Permits are not given out freely. The Town of Winthrop has had this Residential Parking Sticker Program since 2005 and is always trying to improve on the program so the residents have parking. Any and all ordnance changes or updates will always be posted on the Town's website.

Check One: **(if none apply then you do not qualify for a temporary permit)**

- Current vehicle is under repair (submit rental agreement or work order from repair shop)
- Driveway is being repaired/paved (submit work order agreement from company)
